The Annual Genesee County Fish and Game Protective Association's Hunting and Fishing Day event is on September 16<sup>th</sup> and September 17<sup>th</sup>, 2017.

The Executive Board and the Hunting and Fishing Day Committee wishes to extend a welcoming invitation to you and to your organization to participate, by reserving a vendor or exhibitor location on the property for the 2017 weekend event. Your support will enhance the event to be both successful and fun for all.

If you are interested in participating, an application has been enclosed. Please be sure to complete and return it as soon as possible to reserve your booth location.

This year's theme is to show case our organization's efforts to preserve and enhance the environment to ensure enjoyment of the outdoors for years to come. We are seeking vendors specializing in hunting and fishing sales, homemade goods and crafts, camping, off-road, watercraft, and automotive sales, to name a few. We also welcome exhibitor booths and demonstrations that pertain to conservation, search and rescue, frontier reenactors, hiking, fishing, historical educators, taxidermists and all other outdoor activities.
